THOMPSON MEXICO CITY

An aerial night view of a city skyline. The city is densely packed with buildings, many of which are illuminated with warm yellow and orange lights. A prominent skyscraper, the Transamerica Pyramid, stands out on the right side of the image, illuminated with bright yellow lights. The sky is dark blue with some clouds. In the background, there are hills or mountains. The text "A Dynamic Global Skyline" is written in a white, cursive font across the middle of the image.

A Dynamic Global Skyline

Set in a stunning 43-story tower along the prestigious Paseo de la Reforma, Thompson Hotel & Residences is an artful, modern blend of Mexico City's finest elements, designed and streamlined in spacious homes inspired by the city's dynamic global energy.
